Letter from M.R.Ry., Rao Bahadur M.V. Vellodi Avl., B.A., Collector of South Kanara, No. Ref. A6-4107-37, dated 18-10-'37.

Military - Camping ground - South Kanara District Mangalore Taluk - Panemangalore village -R.S.No.28/3 disposal - Proposals submitted.

R.S.No. 28/3 of Panemangalore village measuring 19.25 acres is registered as 'Military Camping ground' poramboke. The land is liable to inundation from the adjacent river during severe rains & damp and moist throughout the rainy season. I do not think that this is a fit place for camping ground throughout the year. Also with improved transport facilities, it may not be necessary to retain the site as a camping ground now. The

plot is eminently suited for wet cultivation and if sold in auction, is likely to get a good price. I therefore request the Board to obtain the opinion of the Government whether the land should any longer be reserved for mili - tary purposes.

2. The information required in G.O.No. 1665 (R) Revenue dated 13-8-'29 communicated with B.P.Mis., 718 dated 28-2-1931 is furnished below seriatim.

a) Panemangalore village - S.No. 28/3 - 19.25 acres

(b) Rs. 300/- an acre

(c) No camping ground is maintained on the land.

(d) The land was not in the effective occupation of the Government of India on the 1st April 1921.

(e) There is no other camping ground in the village.

(f) It is not necessary to retain any portion of the land as camping ground for civil officers. A portion of this land is now used by School Children for playing cricket. The rest of the land is used by cattle for grazing. These requirements will be considered, if the disposal of the land is ordered.

Please see the Board's Reference in the Ref.

2. R.S. No. 28/2 of Panemangalore village measuring 19.25 acres is registered in the revenue accounts as "Military Camping ground". The Camping ground finds a place in the Route Book. But it does not belong to the Govt. of India. The G.O.C. have already stated that of the Camping grounds in this Province those at Cannanore and Kumbla alone at their disposal The Camping ground in question is one reserved as such by this Govt. It is not maintained exclusively or even primarily for military purposes or at the Cost of the Govt. of India. It is apparently vested in the Provincial Govt. under sec. 172 of the Govt. of India Act, 1935. It is not one of the camping grounds which the Govt. of India stated were not required for military purposes. The procedure to be observed in dealing with lands registered as camping grounds which ~~the Govt stated were~~ are not included in the list of Camping grounds which the Govt. of India stated were not required for military purposes is laid down in para 6 of Asst. Secy's note at p 24 and para 3 of the

order at pp. 29-31 of Gs. No. 405 Rec'd 19.2.31. It was decided that if and when there was a definite demand for the assignment of a land registered as camping ground, the Govt. of India should be told that this Govt. were not going to consign it unless the Govt. of India wish it should be retained as camping ground in which case the transfer of the land to this Govt. should be considered. The Board has not reported that there is any demand for the assignment of the land in question. The Coll[r] has only reported that a portion of the land is now used by school children for playing cricket, that the rest of the land is used for grazing, that the land is eminently suited for wet cultivation and is. Coll[r] has however stated that the land is not a fit place for camping throughout the year and that it is liable to inundation from the adjacent river during severe rains and is damp and moist throughout the rainy seas. It is for orders whether for these reasons the Govt. of India will be addressed and asked whether they require the land to be retained as a camp ground. Subject to orders a draft letter is submitted for approval
